"Freedom Rings With Every Vote"

July 21, 2009

To Whom It May Concern:

In the spring of 2008, it was obvious that the upcoming election cycle would shape up to one for the record books. Thankfully, we made a decision at that time that would prove to be a catalyst in a very smooth and successful Primary and General Election.

The Ballot on Demand system from Runbeck Election Services was just what the doctor ordered! While absentee and early voting numbers went through the roof in 2008, we were prepared as a result of BOD. The system was a hit with the voters and saved money and storage space. With this system, you only print the ballots that are needed and it allows the luxury of printing additional ballots on Election Day.

The folks at Runbeck have been very professional and we have been most pleased with the service and support they have offered.

It is with great enthusiasm that I recommend Runbeck Election Services for your consideration.

Sincerely,

Terry L. Vaughan
